

# HR Mission Statement

## Mission Statement

The Human Resources department at Strix is dedicated to providing excellence in Human Resources leadership. We succeed by earning the respect and trust of our employees and by providing a strategic Human Resources framework to support the business success of Strix.

## Specifically

- We are responsible for attracting, motivating and retaining the brightest and the best, making Strix a successful organization.
- We are responsible for excellence in execution of HR systems such as Payroll and Performance Management.
- We provide training and development services to Strix employees as required.
- We provide talent acquisition and talent management services globally.
- We strive to be accessible trusted advisors to all staff.
- We support diversity and fairness in all HR practices.
